1. Call to Order and Approval of Agenda (Nikki Wooten, Chair)

The meeting was called to order at 2:05p.m., and the agenda was approved.

2. Approval of the [Minutes from April 25, 2022](http://app.gradschool.sc.edu/gradcouncil/minutes.asp). Approved actions by Graduate Council become effective 30 days after posting. A copy is available on the Graduate School website at:

<http://app.gradschool.sc.edu/gradcouncil/minutes.asp> .

The minutes from April were unanimously approved.

3. Report of the Chair (Nikki Wooten)

Dr. Wooten advised that this was her last meeting as chair and as a member of the Graduate Council. She has enjoyed serving for the last three years. It was great to meet everyone and to serve the mission of the Graduate School. She looks forward to hearing within her department about the wonderful work that has been initiated and the work that will be initiated in the future semesters.

4. Report of the Dean of the Graduate School (Tracey Weldon)

Dr. Weldon thanked Dr. Wooten for her services as chair and for her years on the Graduate Council and extended that same sentiment to the others who will be rotating off this semester. We appreciate all that you do and hope that they will return to the Graduate Council soon.

5. Report of the Secretary of the Graduate Council (Murray Mitchell)

Dr. Mitchell echoed Dr. Weldon's thanks to Dr. Wooten for serving as chair and for her years of service to the Graduate Council. He also thanked the other departing members:

- Matthew Boylan (Math)
- Elise Ince (Marketing)
- Hippokratis Kiaris (Pharmacy)
- Jim Mensch (Athletic Training)
- Neal Woods (Political Science)
- Nikki Wooten (Social Work)
- Maggie Carson (GSA)

He mentioned that Dr. Woods was filling out the end-of-term for someone else and is eligible to continue for an additional term. We will take up those nominations that require a vote of existing Graduate Council members for new nominees to join the Graduate Council. He has received several nominations of people already, but there is still room for others. If any of your colleagues still have an interest in serving on the Graduate Council or any of the other committees that will serve the Graduate Council, each of those committees require a member of the Graduate Council to be chair, but membership on the committee can be other graduate faculty or associate graduate faculty who want to get a little bit more insight into what happens or what goes on in graduate education at this institution and their contributions are necessary and are certainly more than welcome.

Dr. Mitchell suggested that the first meeting of the Fall semester in August will be virtual. At that point, we will raise that issue again for the new members and current continuing members of the Graduate Council as to preferences for how to handle the business of the Graduate Council in our next academic year. As many of you are aware, there are ongoing resurgences of variances of the virus and where exactly we will be in the fall is anybody's guess. He wished everyone a healthy, happy summer and looks forward to seeing those members who will be returning in August.
